

# Want to know...

early on if your potential guy has depth, awareness, and sensitivity? Here are some questions to ask that you won't find on a dating app.

## REMEMBER:

You are looking for your match, You are a woman with great emotional abilities & As a Sensitive, what is important to you in a relationship is going to look different than the societal norm. Embrace that.

1. Tell me about a time you were wrong or that you wronged someone and what you did after you realized it.
2. How do you recharge your batteries?
3. How would you deal with a partner who needs a lot of downtime?
4. Would you date you? Why or why not?
5. What brings you joy in life?
6. How much time do you want to spend together per week?
7. What is something you are celebrating? What is something you are mourning?
8. What are you struggling with right now? What things in your life are you happy about?
9. What would your utopia look like?
10. Are you open to a long-term relationship where both people have their separate homes and spend a few nights a week together?
11. What are the three most true and important things I should know about you?
12. What are 10 things about yourself - 5 good and 5 bad?
13. When was the last time you cried and why?
14. What's been your toughest battle within yourself?
15. Why do you love yourself?
